

## REMARKS

Claims 41-43 were indicated allowable and are presumed allowable. Previously presented claim 44-50 are patentable over the prior art of record. New claims 51-54 are patentable over the prior art of record.

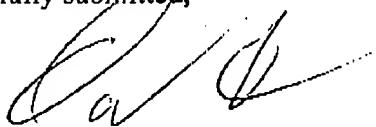

Submitted herewith is a Declaration under 37 C.F.R. § 1.132 related to commercial success of the invention claimed in this application. The nexus between the commercial success and the claimed invention is supported by the increase in sales without a corresponding increase in marketing or advertising activity. Applicants request consideration of this Declaration in evaluating patentability of the pending claims.

In view of the foregoing amendments and remarks, Applicants submit that this application is in condition for allowance. Early notification to this effect is requested.

If there are any fees due in connection with this response, please charge such fees to deposit account 06-1130 maintained by Applicants' attorneys.

Respectfully submitted,
